POND KING BOAT COMPARISON GUIDE

Bringing ponds alive since 1995!

THE RIGHT BOAT FOR — YOU —

Pond King manufactures 8 different boat models to make sure you get the boat that is just right for you. You can choose from one of our pre-designed packages, or custom-design your own. Our boat specialists are standing by and are ready to answer questions and help any way they can!

Whatever your needs, we've got a boat that is just right for you.

WHERE DO YOU USUALLY FISH?

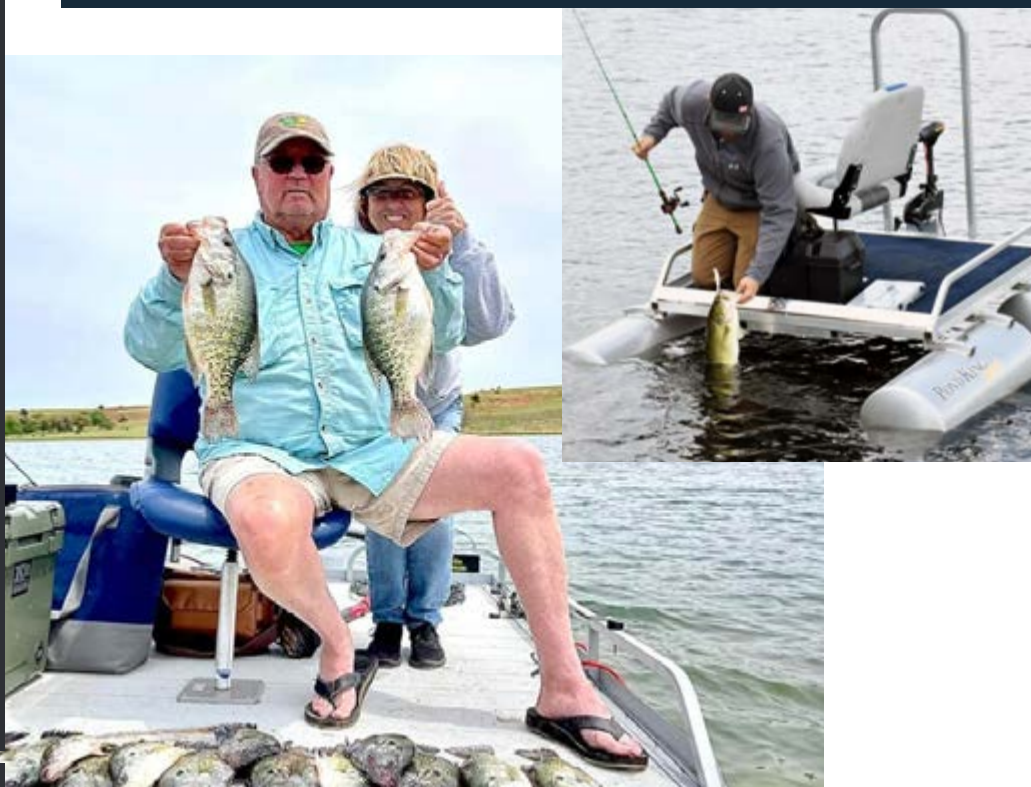

Do you typically fish private ponds, or other small impoundments? Or do you like to haul around to lakes, reservoirs or other larger fisheries?

ELITE	16' 6"	40 hp

BEST POND KING PONTOON BOATS ON A BUDGET:

Compared to their full-sized brethren, mini and small pontoon boats are pretty economical. They have a lower cost of entry, lower cost to haul, and lower cost to fuel. However, an all aluminum boat delivered with a turn-around guarantee may not fit in everyone's budget. So, we designed some lower cost options that are easier to ship to get more folks out on the water.

THE PERFECT DIY PROJECT

If you are a do-it-yourselfer at heart, these boat kits are for you because you can take pride in your craftsmanship, plus, they can be a great project to undertake with your kids or grandkids, and can be completed in a few hours.

There are 3 options of DIY Boat Kits. The difference is what materials we provide, and what you provide. Each one includes:

- 4 pontoons and hardware along with instructions and a list of materials for you to source and build the frame and decking.

Opt for the Build-Your-Own-Plus Kit and you'll also get:

- Pre-cut, marine grade carpet to cover the deck
- Marine-grade glue and trowel for spreading
- Motor Mount
- 6-piece 6" kick rail with edge trim package

BUILT TO FIT YOUR NEEDS

Each and every boat we build is crafted by hand, from start to finish, in our manufacturing facility just outside of Gainesville, Texas. Whichever model you select, you can choose from one of our pre-designed packages on the website or design your own by calling our boat specialists.
